PLUMBING ORDINANCE REVISION APPROVED

On the recommendation of City Engineer Wayne McAuley the city council this week approved the repeal of the present Plumbing Code and authorized the city attorney to draw up a new ordinance incorporating terms of the revised code already adopted by many cities. McAuley stated the present code is out of date and in many respects creates a hardship on firms bidding for installation jobs in Albany.

Following a public hearing rezoning and set back requirement revisions were approved for property at and adjoining the Albany Hospital, where a $450,000 expansion program is planned.

The council also approved a recommendation by the city engineer that a stand-by system be adopted for street department that would provide for a rotation of employes.

On days the men are on standby call they would be paid time and one-half. This would cost the city approximately $700 a year, but would provide emergency service in flood and similar conditions.

The request of M. J. Ryan, 521 Key Route Blvd., for permission to pave a parking strip was temporarily denied, but the way left open for further study.

The report of D. Jackson Faustman, consulting engineer on the "Feasibility of One-way Streets", was ordered held over until after January for consideration.

Hearing on the application for re-zoning of 4 lots at the northwest corner of Kains and Washington, for installation of a parking lot by Jay-Vee, Inc., was set over until Wednesday, Jan. 2.

Hearings on setback requirements for property on Sunset Terrace and on Cerrito Hill were set for Monday evening, Dec. 17.

Mail Parcels Early, Advises Postmaster

Postmaster Frank S. Spires today urged the citizens of Albany to shop early and mail early this Christmas season to facilitate the processing of the largest Christmas mailing in the history of the post office.

To put off mailing Christmas cards and parcels until the last moment results in a extra burden being placed on the postal employes and on the postal facilities of the Albany post office. Every facility of the post office will be pressed into maximum service so that again this year as in the past, the post office will be cleared, if possible, of all Christmas mail by Christmas.

"There are still some people who retain the mistaken idea that a gift or card arriving on Christmas Eve has a special significance. It is the thought behind the gift or card, not the time of arrival which is the important consideration."

In an appeal to all the citizens of Albany, Postmaster Spires praised the fine cooperation of past years when record mail loads were processed and delivered and asked that this same cooperation be again in evidence this year.

"By following the simple suggestions of mailing early, wrapping carefully and addressing plainly, the citizens of our city will be assured of the safe and timely arrival of their Christmas mail."

Christmas Choral Concert on Sunday

The combined choirs of Grace Lutheran Church will present a Christmas Choral Concert on Sunday, Dec. 16, at 4 p.m. Miss Esther Harriet Hughes is director, and she will be assisted by Mrs. Marie Howe, as organist. The junior choir will offer "Christmas Bells", with Erlyne Wheeler, descant; "Geau Bambino" with Sharon Barnett, soloist, assisted by Nancy Quenzel, Erlyne Wheeler, Joanne Quam, Marlene McLain, Julie Rhines, Patricia Hedley, and Selbie Buetzow.

For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts. For as the rain cometh down, and the snow from Heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it."

Albany Scouts Get Eagle Awards At Honor Court

At an Eagle Court of Honor convened by William Woolworth, advancement chairman for the Albany-Berkeley district, Eagle Scout status was conferred on Lawrence Cassell, John Jones and James Wilson by Scout Executive Ray Baumforth of the Mount Diablo Council. The presentation took place Friday evening, Nov. 16, at Cornell School Auditorium.

A colorful initiation ceremony was conducted by The Knights of Dunamis, the Eagle honor fraternity. President Wilbur Gram of the Cornell-Vista Dads' Club represented the sponsoring group.

"Advancement of three scouts to the highest rank in scouting," said Mr. Woolworth, "represents a remarkable achievement for Scoutmaster Henry Silva and the Troop Committee, as well as by the boys themselves. He expressed the hope that the scouts who received this honor would use their demonstrated leadership in helping the growth and development of younger boys.

The Eagle Court was preceded by a regular Court of Honor opened by Scout Commissioner Paul Calderhead. Life Scout awards, highest rank below Eagle, were conferred on Gene Miller, Conrad Gaunt, David Hathaway, John Henry and Dennis Paddock. First class rank was earned by Charles Meyer, Richard Ostov and Louis Webb.

A total of 46 merit badges was distributed at the meeting. In addition to those receiving badges along with advancement, Scouts Roger Paine, Paul Nichols, Gary Keck, Russell Bua and James Denny each received one or more merit awards. Two boys, David Gaunt and Peter Hanelt joined the troop as Tenderfoot Scouts.

Following the ceremony, members of the Troop Mothers' Club served refreshments to the scouts, parents and other guests.

U. S. Marines, mounted on camels, escorted an American diplomatic mission into Abyssinia in 1903.

Lynne Pawson In Melbourne On Swimming Tour

Lynne Pawson, 19, 633 Carmel Ave., is in Melbourne, Australia, for exhibition swimming with a group of girls sponsored by the US State Department.

Miss Pawson and the 15 other members of the swimming group were evacuated from Alexandria, Egypt, during an air raid on Nov. 2. The rescue ship was the transport USS Chilton in command of Capt. Dale Mayberry.

The recreation room of the ship was converted into a nursery for 16 babies under 3 months old. Cribs were improvised from cardboard cartons. Miss Pawson and two other girls took care of the nursery and slept only two or three hours a night. Her training as a Girl Scout nurses' aide in Albany Hospital came in handy.

The 1100 passengers aboard the Chilton, mostly women and children, were protected by the American flag during the evacuation operation which took two days.

Captain Mayberry was told by Egyptians that the British and French had mined the channel leading out of Alexandria Harbor. Military officers of the two countries assured the captain that this was not true. However, when the Chilton left the harbor passengers wore life jackets, boats were manned and life rafts were ready to be thrown overboard. The precautions proved unnecessary when the ship encountered no mines.

NEWLYWEDS: Above are shown Mr. and Mrs. Lee Zellner. The bride is the former Mrs. Helen Hopkins of 1331 Gilman Street. The benedict is in business in Albany. The ceremony took place at the Calvary Presbyterian Church, with the Rev. Dr. Paul Mellish reading the ritual. — Gazette photo
